Subject: RE: MM2A Proposed Rule - Package now in Version 18

I have started my review, but was not able to complete it last week. This is the top of my list of completing this afternoon.

Subject: MM2A Proposed Rule - Package now in Version 18

Melina and John –

First, please let Debra know if you need access to version 18 of the MM2A package, which is the current version for us to be reviewing and inserting our comments.

Second, please let me know when you have completed your review of the package, and if there are any issues that we need to discuss.

Thanks,
